

INDEX TO VOLUME XIX

A
 Actinomycosis, pulmonary (A. G. Watkins), 143
 Anaemia, erythroblastic, with bone changes in Egyptian children, 159
 Anaemia, macrocytic, in children (L. J. Davis), 143
 Anaemia, refractory (Fanconi type) (J. V. Dacie and A. Gilpin), 151
 Anus, imperforate (A. W. Wilkinson), 138
 Atrophic sclerosis of cerebral cortex associated with birth injury (R. M. Norman), 111

B
 Birth injury, atrophic sclerosis of cerebral cortex associated with (R. M. Norman), 111
 BRITISH PAEDIATRIC ASSOCIATION: Proceedings of an Extraordinary General Meeting, 37; Reports of sub-committees, 37; wearing of masks in nursing of premature and older infants (D. W. Winnicott), 38; new views on nutrition from the paediatric standpoint (F. F. Tisdall), 38; further observations on treatment of coeliac disease (Mila Pierce), 38; fibro-cystic disease of the pancreas (Janet D. Gimson), 39; routine examinations (R. E. Smith), 39; organization of paediatric services (A. Maitland-Jones, C. W. Vining, W. Sheldon, C. F. Brockington, and J. L. Newman), 39
 Report on the incidence of rickets in war-time, 43; discussion, 63
 Report (with the Cardiac Society) on the care of rheumatic children, 96
 BROCKINGTON, C. F.: Analysis of fate of premature babies in Warwickshire in 1942 and 1943, 93; correction, 145
 BROCKINGTON, C. F. (and A. Maitland-Jones, C. W. Vining, W. Sheldon, and J. L. Newman): Organization of paediatric services, 39
 BRODRIBB, H. S.: Allergic vomiting in an infant, 140

C
 Cardiac Society (and British Paediatric Association): Care of rheumatic children, 96
 Children's wards, scheme for prevention of infection in (N. M. Jacoby), 26
 Coeliac disease, further observations on treatment of (Mila Pierce), 38
 Coeliac disease, treatment of with vitamin B complex and concentrated liver (D. Paterson, Mila Pierce, and Eleanor Peck), 99
 Colon, neonatal rupture of, and giant congenital diverticula (J. E. Morison), 135
 CORNER, Beryl D.: Incidence of rickets in children attending hospitals in Bristol, 68
 COUPER, E. C. R.: Observations on otitis media and mastoiditis in infancy, 126
 CRAGO, Mary: Glycogen storage disease, 177
 CRICHLAW, T. V. (and A. Moncrieff): Dolichocolon and Hirschsprung's disease, 34
 Cross infection in children's wards, scheme for prevention of (N. M. Jacoby), 26
 CROWE, M. P.: Familial spastic paresis with strabismus, 32

D
 DACIE, J. V. (and A. Gilpin): Refractory anaemic (Fanconi type), 151
 DALEY, M. D. (and J. N. O'Reilly and R. H. Franklin): Congenital atresia of the oesophagus, 131
 DAVIS, L. J.: Macrocytic anaemia in children, 143
 Diverticula, giant congenital, and neonatal rupture of colon (J. E. Morison), 135
 DIWANI, M.: Erythroblastic anaemia with bone changes in Egyptian children, 163
 Dolichocolon and Hirschsprung's disease (A. Moncrieff and T. V. Crichtlow), 34

E
 ELLIS, R. W. B. (and Audrey E. Ellis): Survey of Rickets in Lincolnshire in war-time) 45
 Encephalo-meningitis due to pneumococcus type 1 (Mary J. Wilmers), 29
 Erythroblastosis foetalis (J. R. Gilmour), 1, 12, 21

F
 Familial spastic paresis with strabismus (M. P. Crowe), 32
 FRANKLIN, R. H. (and J. N. O'Reilly and M. D. Daley): Congenital atresia of the oesophagus, 131

G
 GILMOUR, J. R.: Erythroblastosis foetalis, 1, 12, 21
 GILPIN, A. (and J. V. Dacie): Refractory anaemia (Fanconi type), 151
 GIMSON, Janet D.: Fibro-cystic disease of the pancreas, 39
 Glycogen storage disease (Mary Crago), 177

H
 Hirschsprung's disease and dolichocolon (A. Moncrieff and T. V. Crichtlow), 34

J
 JACOBY, N. M.: Cross infection in children's wards, scheme for prevention of, 26

L
 LEWIS, F. L. K.: Prognosis and treatment of pneumonia in children, 122

M
 McMURRAY, J.: Observations on tuberculous meningitis, 87
 MAITLAND-JONES, A. (and C. W. Vining, W. Sheldon, C. F. Brockington, and J. L. Newman): Organization of paediatric services, 39
 Mastoiditis and otitis media in infancy (E. C. R. Couper), 126
 Meningitis, tuberculous, observations on (J. McMurray), 87
 MONCRIEFF, A. (and T. V. Crichtlow): Dolichocolon and Hirschsprung's disease, 34
 MORISON, J. E.: Giant congenital diverticula and neonatal rupture of colon, 135
 Myocarditis in acute infective diseases (C. Neubauer) 178

N
 NEUBAUER, C.: Myocarditis in acute infective diseases, 178
 NEWMAN, J. L. (and A. Maitland-Jones, C. W. Vining, W. Sheldon, and C. F. Brockington): Organization of paediatric services, 39
 NORMAN (R. M.): Atrophic sclerosis of cerebral cortex associated with birth injury, 111

O
 Oesophagus, congenital atresia of (J. N. O'Reilly, R. H. Franklin, and M. D. Daley), 131
 O'REILLY, J. N. (and R. H. Franklin and M. D. Daley): Congenital atresia of the oesophagus, 131
 Otitis media and mastoiditis in infancy (E. C. R. Couper), 126

P
 Paediatric services, organization of (A. Maitland-Jones, C. W. Vining, W. Sheldon, C. F. Brockington, and J. L. Newman), 39
 Pancreas, fibro-cystic disease of (Janet D. Gimson), 39
 PATERSON, D. (and Mila Pierce and Eleanor Peck): Treatment of coeliac disease with vitamin B complex and concentrated liver, 99
 PECK, Eleanor (and D. Paterson and Mila Pierce): Treatment of coeliac disease with vitamin B complex and concentrated liver, 99
 PIERCE, Mila: further observations on treatment of coeliac disease, 38
 PIERCE, Mila (and D. Paterson and Eleanor Peck): Treatment of coeliac disease with vitamin B complex and concentrated liver, 99
 Pneumonia in children, prognosis and treatment of (F. L. K. Lewis), 122
 Premature babies, analysis of fate of in Warwickshire in 1942 and 1943 (C. F. Brockington), 93

R

- Rheumatic children, care of (report by the Cardiac Society and the British Paediatric Association), 96
 Rickets, incidence of in children attending hospitals in Bristol (Beryl D. Corner), 68
 Rickets in Lincolnshire (parts of Kesteven), survey of (R. W. B. Ellis and Audrey E. Ellis), 45
 Rickets in war-time: Incidence of (British Paediatric Association report), 43; survey in Lincolnshire (R. W. B. Ellis and Audrey E. Ellis), 45; statistical analysis (P. Stocks), 48; British Paediatric Association discussion, 63
 Routine examinations (R. E. Smith), 39

S

- Sclerosis, atrophic, of cerebral cortex associated with birth injury (R. M. Norman), 111
 SHELDON, W. (and A. Maitland-Jones, C. W. Vining, C. F. Brockington, and J. L. Newman): Organization of paediatric services, 39
 SMITH, R. E.: Routine examinations, 39
 Spastic paresis, familial, with strabismus (M. P. Crowe), 32
 STOCKS, P.: Rickets in war-time, statistical analysis of, 48

T

- THOMSON, J.: Observations on the urine of the new-born infant, 169
 TISDALL, F. F.: Nutrition, new views on from the paediatric standpoint, 38
 Tuberculous meningitis, observations on (J. McMurray), 87

U

- Urine of the new-born infant, observations on (J. Thomson), 165

V

- VINING, C. W. (and A. Maitland-Jones, W. Sheldon, C. F. Brockington, and J. L. Newman): Organization of paediatric services, 39
 Vomiting, allergic, in an infant (H. S. Brodribb), 140

W

- WATKINS, A. G.: Two cases of pulmonary actinomycosis, 143
 WILKINSON, A. W.: Imperforate anus, 138
 WILMERS, Mary J.: Encephalo-meningitis due to pneumococcus type 1, 29
 WINNICOTT, D. W.: Wearing of masks in nursing of premature and older infants, 38
